

# Laboratory report 1

Anna Canal Garcia  
Magdalini Papaioannou  
Jenny Stoby Höglund

DD2437 Artificial neural networks and deep architectures

January 31, 2018

## **1 Introduction**

The aim of the laboratory ...

## **2 Method**

Tools used and assumptions.

## **3 Results**

Main results/findings supported with figures or tables along with short commentary (please do not attach the code).

## **4 Conclusion**

Reflections, open questions and conclusions.
